

EATONS SOLICITORS DEBT RECOVERY SERVICES & CREDIT CONTROL

COMBINING BOTH FIRMNESS AND
DISCRETION, WE NEVER FORGET THAT
WE REPRESENT YOUR BUSINESS.

'IT IS REFRESHING TO FIND A COMPANY THAT IS ABLE TO GIVE US A REALISTIC ASSESSMENT OF THE CHANCES OF RECOVERY BEFORE WE PART WITH OUR MONEY.

WE HAVE ALWAYS RECEIVED A GREAT SERVICE AND APPROPRIATE ADVICE FROM EATONS. THEY HAVE PURSUED OUR DEBT RECOVERY CASES VIGOROUSLY AND IN THE MOST COST EFFECTIVE MANNER.'

PREVENTION IS BETTER THAN CURE

We can implement simple credit control measures to minimise bad debt problems before they occur. We advise on contracts and business terms to ensure that they are easier to enforce and more effective.

NO COLLECTION, NO FEE

Our success rate for collection is second to none, and because of this, we make no charge for our pre-legal recovery service if we don't collect. With successful recoveries we use our legal expertise to collect your debt and recover costs from the debtor too.

EASING THE COURT PROCESS

We are totally focused on recovering your debts quickly and without the need for court process. If court action becomes necessary, we always discuss the procedures and agree charges with you in advance. In successful actions, we will try to recover all costs from the debtor.

MANAGING DISPUTED CLAIMS

In cases where a claim is disputed, we will review the case with you and provide a cost benefit assessment, to ensure you make an appropriate decision for your business.

This service is provided free of charge. If you decide to proceed, our experts will be involved in the legal process and you will receive regular updates. It is important that each case is viewed on its merits and we achieve a favourable settlement that is commercially viable for you.

DEBT COLLECTION AND LEGAL SPECIALISTS

Our debt collection service is a specialist division of Eatons Solicitors and, as such, offers the additional resource and legal expertise of a multi-disciplined legal practice. We have a long history of sound advice and effective client support in a range of areas.

We work in dedicated teams, led by one or more of our partners. We tailor our services to each client's individual needs, ensuring you get all the support you need, and more, from a team who are well qualified to deliver the best results.

'EATONS ARE SO EASY TO DEAL WITH AND VERY GOOD ON THE DETAIL TOO. THEY GET THE JOB DONE EFFICIENTLY AND ARE ALWAYS THERE WHEN THEY ARE NEEDED - I CAN'T FAULT THEM.'

VALUE FOR MONEY

Our success is measured by the success of our clients with whom we enjoy long-term relationships. As you would expect from a Yorkshire firm, value for money is an important part of our service, which we can provide throughout the UK. You only receive the specific service you require, when you need it and we clearly explain our costs at the outset, with updates at each stage of the process.
