## Eatons Solicitors Expands Its Personal Injury Industrial Disease Unit

### NEWS RELEASE

Eatons Solicitors are pleased to announce the appointment of two new executives, Karl Preston and Fesal Nazir, to its Personal Injury Department's Industrial Disease Unit.

Eatons Personal Injury Department, based at its Bradford office, has grown extensively in recent years covering work including road traffic accidents, trips and slips and accidents at work. The appointment of Karl Preston and Fesal Nazir represents a further step in the Department's development as a centre of expertise for industrial disease work, including industrial deafness cases.

Karl has over 7 years experience of industrial disease personal injury work for major law firms in the Yorkshire region and Fesal has worked in Bradford after having completed his law degree at Huddersfield University.

Keith Massey, the Head of the Personal Injury Department commented that 'The appointments of Karl and Fesal represent an important development in

the expansion of the Department'. He continued 'These appointments further establish our personal injury team as a centre of expertise in Bradford'.
